About ME!

Aspiring Full Stack Web Developer with a strong foundation in both front-end and back-end technologies. Currently pursuing a degree in B.Tech[IT] at Kingston Engineering College, with hands-on experience in HTML, CSS, JavaScript, and frameworks such as React and Node.js. Passionate about building user-friendly web applications and eager to learn new technologies. Strong analytical and problem-solving skills, with a commitment to teamwork and collaboration on projects. Seeking opportunities to apply my skills in real-world settings and contribute to innovative web development projects.
